PERMIT TO CUT WOOD OR TIMBER
LOWER BARTLETT WATER PRECINCT

Lumber Operations: Timber may be cut and harvested in any of said districts for commercial purposes only after a prior permit has been obtained from the Zoning Board, which shall impose such terms and conditions upon the issuances of said permits for the protection of the public health, safety and welfare, including the protection of the peace and beauty of the community, as it may deem proper. Clear cutting shall not be permitted within a distance of one hundred fifty (150) feet from the nearest public right of way line, but selected cutting may be carried out to any such right of way line provided that there be left uncut within such one hundred fifty (150) foot strip a reasonable growth of substantial trees. Any permit issued may make appropriate requirements for removal of brush and protection against the hazard of fire. Nothing herein shall prevent ordinary clearance of a lot for the purpose of construction of buildings or structures.
